Boost your muffin sales.... With our special energy muffin

Most European consumers really want to improve their snack habits. Breakfast can be neglected, due to a lack of time, and eating on the move has increased. We know our energy muffin fits perfectly and responds to consumer needs with the consumption of healthy "grab and quick bites".

Our Energy Muffin

This tasteful, voluminous American-Style muffin is generously filled with natural ingredients (carrots, raisins, pumpkin seeds, dates, apricots and cranberries), which provide a boost of extra energy.

Specifications

010403617 Breakfast Muffin, IW, clear film, 20 in a box, 96 boxes / pallet
01036608 Breakfast Muffin, Bulk, 24 in a box, 96 boxes/ pallet

Your Energy Moment

We strongly believe that this muffin will create extra sales, not only as a complete grainy and fruity breakfast, but also as a healthy and natural energy boost in the afternoon.
